REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or render obvious a medical device in combination with all the elements and the functional relationships further comprising an expandable substrate (from a compressed to an expanded state) comprising a coating having an anti-proliferative drug incorporated within the coating prior to delivery to the target location and an expandable elastic sheath (from a compressed to an expandable state) having at least one perforation over the coating wherein when the perforation is closed (i.e. the elastic sheath is compressed) , the drug agent does not pass through the perforation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
